Hey Mr. Gutacker,

I know I asked you this last year, but for documentation purposes is it alright if I use the picture I used of you last year for our chapter site for webmaster again this year? The picture would go under the advisors/teachers section of our chapter site.

Thanks,

Brady

Good afternoon Brady,

That will be fine. I am unsure what TSA will look like this year. We are figuring it all out and will keep you posted as to any updates. I know as of this point we will not be having a regional conference at Gettysburg High School.

Thank you,

Mr. Connor Ronan
